

Word Study

Learning Sequence

Investigate

- Be a word detective
- Say what you already know
- Do a word observation
- Sort the words
- Say why you have sorted them
- Test to see if your sort works

Challenge

- Find other similar words
- Find out what the words mean
- Act out the meaning
- Create a rule about the words and explain it to others
- Use the words in some writing

Reflect

- Say what you have learned about the words
- Play games to make sure you can use them properly
- Use the words even after they're the ones you're working on
